

Diagrama de um estacionamento com duas vagas. Cada vaga tem uma largura de 5,025m e um comprimento de 7,50m. As vagas são separadas por uma distância de 2,00m. As vagas são rotuladas "P" e "P".

The diagram illustrates a parking lot layout with the following dimensions and features:

- Dimensions:**
 - Left side: 4.43 (green dimension line)
 - Bottom: 7.50 (green dimension line)
 - Right side: 4.43 (green dimension line)
 - Top: 200 (red dimension line)
 - Bottom: 200 (red dimension line)
 - Center: 350 (red dimension line)
- Vehicle Placement:**
 - A car is positioned in the center of the lot, facing left.
 - A truck is positioned on the right side of the lot, facing left.
- Other Features:**
 - Two palm trees are located on the right side of the lot.
 - Two small rectangular structures are located on the right side of the lot.
 - Two small rectangular structures are located on the left side of the lot.
 - Two small rectangular structures are located at the bottom of the lot.

Diagram illustrating a road layout with a central divider and two palm trees. The road width is 750 ft. The distance from the road edge to the base of the first palm tree is 34.3 ft. The distance from the base of the first palm tree to the central divider is 200 ft. The distance from the central divider to the base of the second palm tree is 350 ft. The distance from the base of the second palm tree to the road edge is 200 ft. The total distance between the two palm trees is 550 ft (200 ft + 350 ft). The road is marked with arrows indicating traffic flow in both directions.
